

**601 National Drive Ennis, Texas 75119  
214-818-2069**

Over the past 18 months I have had great success with the transportation services provided by AFN®. Their support staff and upper management continue to go the extra mile to meet my transportation needs and expectations with efficient and cost effective solutions. I look forward to an extended relationship with AFN® and recommend their transportation services, follow-up information and customer friendly staff and management.
